

Details about the Thomas Fogarty Winery Membership Options

Wines

Thomas Fogarty Winery limited production single-vineyard Pinot Noir, Chardonnay and Nebbiolo are sold through our wine club and at the winery. To secure your allocation of our site-driven mountain wines, three different programs are available for your convenience.

Member Pricing

We offer member pricing for our shipments and any additional wine purchases throughout the year. There is no membership fee for joining our wine club. The Family club averages \$460 annually (12 bottles), Signature club averages \$700 (12 bottles) and Elite club averages \$1200 annually (24 bottles). Shipping and state sales tax are additional charges.

Complimentary Tasting and Events

Our members enjoy complimentary wine tasting up to two guests throughout the year. At the release of each shipment, we host an event to feature the wines and allow members to pick up their shipments.

Local members have the option to pick up their shipments at the tasting room for up to 60 days after the shipment has been processed. If you are not able to make it during the open pick up, we will ship to the address on file and charge appropriate shipping charges.

Timing on Shipments

Wine club shipments are in the Spring and Fall. Shipping wine is dependent on the weather to ensure the wine travels safely.

We encourage you to use a business address for shipping wine; an adult over the age of 21 must be present for signing. Our method of shipping is UPS.

Communications

Prior to the shipment, we contact you via email to inquire if you have any updates to your account. At that time, you'll have the chance to change credit cards and address.

Cancellation Policy

To cancel your membership, please contact us at 650.851.6777. Cancellations cannot be honored two weeks prior to processing your shipment. You may cancel the Wine Club after you receive your second allocation. If you do not fulfill the requirements of the wine club, you will be charged for the full retail price of any purchases made at the winery.
