

## **2021 Spring Release: Chardonnay Half Case Selection**

### **2018 Langley Hill Vineyard Chardonnay (2 Bottles)**

**Tasting Notes:** Langley Hill Chardonnay is all about balance and texture. The 2018 vintage has generous fruit with bright acidity are the hallmarks of this hillside site.

**Vineyard:** Langley Hill is our largest plot of Estate Chardonnay. It occupies a steep hillside, offering numerous exposures and soil depths. This complex arrangement leads to multiple picks often spread over weeks, rather than days. Langley Hill's is often both the first and last of our Chardonnays to be picked. The vineyard's fractured sandstone over Lambert shale yields Chardonnay that is steely and structured with persistent citrus and mineral flavors.

### **2018 Portola Springs Vineyard Chardonnay (2 Bottles)**

**Tasting Notes:** Portola Springs Vineyard produces our most focused and mineral-driven Chardonnay. The volcanic influence in the soil here is notable and gives the wine great energy and precision.

**Vineyard:** Our steepest and most "extreme" site for Chardonnay, the Portola Springs Vineyard produces structured and precise Chardonnay. The soil is heavily streaked with basalt, the volcanic nature of these soils give the wine a freshness and linear nature that is decidedly different than much of the Estate. These meager soils and extreme exposure leads to a very unique expression of California Chardonnay. This is always one of the last blocks to be picked at the winery.
