

2021 Spring Release: Six Bottle Selection Reds Only

2018 Windy Hill Vineyard (2 Bottles)

Tasting Notes: Windy Hill always produces some of our most aromatic Pinot Noir. The soaring nose is confirmed by the expressive palate- juicy red fruits, spice and a background of forest-floor.

Vineyard: The Windy Hill Vineyard, re-planted in 2012, is perched on the very top of the Fogarty Estate at just under 2000 ft. These 2.5 acres, are buffeted by wind, drenched in fog and grown in desperately shallow soil; Windy Hill is a tough place to be a grapevine. Lucky for us this leads to fantastic fruit. The wines are ethereal with red fruits, spice and distinct mineral notes. This is our tightest-spaced Estate Vineyard and is planted to old California Heritage Selections of Pinot Noir.

2018 La Vida Bella Vineyard Pinot Noir (2 Bottles)

Tasting Notes: The cool climate and sandy soils produce beautifully pure Pinot Noir with bright red fruit and soft silky tannins. This wine is always one of the more accessible Pinot Noirs we produce.

Vineyard: The La Vida Bella vineyard is located above the floor of the Pleasant Valley area of Corralitos. Joe Quink and Pam Minnis' site features a large swale on the northern section of the vineyard with some of the steepest terrain in the area. We think this is classic "Corralitos" Pinot, has a great mix of red and blue fruit, spice and the velvety tannin we have come to know and love from wines farmed in this region.

2017 Lexington Merlot (2 Bottles)

Tasting Notes: 2016 Merlot from Gist Ranch Estate has a savory characteristic, expressing plum and black licorice with firm tannins.

Vineyard: The vineyard was densely planted in the year 2000 at elevations reaching 2300 feet above sea level, 17 miles inland from the Pacific Ocean. The heavily fractured, Vaqueros Sandstone soils and unique mountain micro-climate produce singular, deeply concentrated wines that demonstrate the power and elegance of the Santa Cruz Mountains appellation. The Gist Vineyard is farmed to organic principles with an emphasis on "Living Soils" and bio-diversity.
