

## 2021 Fall Wine Release: Twelve Bottle Membership

---

### Vintages

#### 2019

The 2019 vintage will go down as a classic year in the Santa Cruz Mountains. Some unsettled weather in the spring resulted in poor flowering, lower yields in some blocks. The summer was warm, but not oppressively so- the lack of extreme heat events was a welcome change. Harvest began in mid September, finishing up in mid to late October – relatively late compared to the recent string of early harvests. The wines are concentrated with a fine balance of structure and fruit intensity. Site expression seems amplified; low yields and moderate temperatures often lead to some of our most singular and terroir driven wines. The wines drink surprisingly well in their youth and have all the components for a long life ahead. The only downside to the year are yields; the wines will be sought after and rare.

#### 2018

2018 was another dry, but not particularly warm winter. This changed in early February. A system of high pressure brought daytime temperatures into the 70's, warming the dry soil and initiating bud break in the earlier sections of some of our vineyard sites. In March an arctic cold front settled in and brought nighttime temperatures down to freezing, risking frost damage to the new shoot growth. The Summer was mostly mild, leading to a normal to later harvest than other recent vintages. The wines are poised and complex with depth and structure.

#### 2017

The 2017 vintage was another year of record setting heat, continuing our string of record setting temperatures. Luckily, Spring was mild and allowed us to set the best crop we have seen since 2012. A torrid heat spike over the labor day weekend started the growing season with a bang and had us off and running at sprinter's pace. The weather following was mild and allowed for the latest harvest we have seen in some time. It will go down as a vintage with good yields and potentially great quality.

#### 2016

The 2016 Vintage was another drought year, with early bud-break, bloom and veraison. Poor weather during the early bloom caused shatter and millerandage. Vine stress became an issue late in the year with many of our dry farmed vines showing water and nutrient stress for the first time. The resulting wines are bright and energetic with mid-weight personalities. They are profoundly aromatic and balanced wines that are site expressive and pure.

### Wines

#### 2019 Razorback Vineyard Pinot Noir (Three Bottles)

*The Razorback Vineyard was planted in 1986 and is the lowest elevation vineyard on the Estate at 1400 ft. Featuring a cool northeastern exposure, this 2 acre hillside is planted to four clones (115, 667, 777 and Swan) of Pinot Noir on fractured sandstone and shale. We ferment the clones together as we believe this encourages more complexity and intrigue in the finished wine. This rather steep vineyard is dry farmed and gets some of the cooling fog that settles below our other Estate vineyards. 2011 is the first vintage we have chosen to bottle as a stand alone, single-vineyard wine.*

**Tasting Note:** High toned orange peel and spice notes frame the nose. The mouth is well structured with good acid/tannin balance, great red fruit and more spice notes.

**94 points, Wine Enthusiast**

Member Price: \$58.50

Retail Price: \$78

### 2016 Mindego Ridge Vineyard Pinot Noir (One Bottle)

*Mindego Ridge Vineyard is located at the western end of Alpine Rd. near the town of La Honda. It is a perfectly exposed south facing hillside in a very cool spot. Planted in 2009, the nine acres of Pinot Noir here are lovingly farmed by Dave and Stacey Gollnick. The clay loam over shale soils produce wines of great intensity.*

**Tasting Note:** A generous mix of plum and cherry fruits with sage, damp earth, and violets. This juicy, Pinot has plenty of upfront appeal and will drink well over the next ten years.

**94 points, Wine Advocate**

Member Price: \$54

Retail Price: \$72

### 2018 Walker's Nebbiolo (Two Bottles)

*We farm two Nebbiolo at two dramatically different sites. Our newest planting at Gist Ranch is just over an acre situated on heavily fractured Vacqueros Sandstone. High in elevation and mostly above the fog, this site consistently ripens this fickle variety and is the backbone our Nebbiolo wines. Our Winery Estate Nebbiolo is sourced from a small 0.3 acre hillside perched just above the Rapley Trail Vineyard.*

**Tasting Note:** The wine reveals notes of dried strawberries, licorice, rose, and spice aromas. On the palate, the wine is ample, with minerality, cranberry, juicy acids and a firm finish.

**95 points, Wine Enthusiast**

Member Price: \$46.50

Retail Price: \$62

### 2019 Albutom Vineyard Chardonnay (Two Bottles)

*The Albutom Vineyard is our smallest block of Chardonnay and is a distinct expression of the fractured shale upon which it was grown. It seems to epitomize all that we love about the Chardonnay we grow in the mountains. Minerals, rocks, subtle fruit, bright acidity, etc.. This vineyard always brings these various components together in a finally knit Chardonnay of great elegance and subtle power. Very thin, rocky soils and a cool eastern exposure lead to precise wines with great potential for age.*

**Tasting Note:** Albutom is a rich, concentrated Chardonnay that boasts apricots, lemon peel, minerality, and white tea with balanced acidity. There are only two-barrels produced of this stunning Chardonnay.

**97 pts, Wine Enthusiast**

Member Price: \$54

Retail Price: \$72

**2019 Langley Hill Vineyard Chardonnay (Three Bottles)**

*Langley Hill is our largest plot of Estate Chardonnay. It occupies a steep hillside, offering numerous exposures and soil depths. This complex arrangement leads to multiple picks often spread over weeks, rather than days. Langley Hill's is often both the first and last of our Chardonnays to be picked. The vineyard's fractured sandstone over Lambert shale yields Chardonnay that is steely and structured with persistent citrus and mineral flavors.*

**Tasting Note:** Opens with aromas of citrus blossoms and nectarines with layered stone and mineral tones to finish.

**96 pts, Wine Enthusiast**

Member Price: \$51

Retail Price: \$68

**2017 Lexington Gist Ranch Estate 'Apex' (One Bottle)**

*The vineyard was densely planted in the year 2000 at elevations reaching 2300 feet above sea level, 17 miles inland from the Pacific Ocean. The heavily fractured, Vaqueros Sandstone soils and unique mountain micro-climate produce singular, deeply concentrated wines that demonstrate the power and elegance of the Santa Cruz Mountains appellation.*

**Tasting Note:** A blend of Cabernet Sauvignon, Cabernet Franc and Merlot expressing aromas of blackberry and thyme.

**90 points, Wine Enthusiast**

Member Price: \$75

Retail Price: \$100
