2021 Fall Wine Release: Three Bottle Membership

Vintages

2019

The 2019 vintage will go down as a classic year in the Santa Cruz Mountains. Some unsettled weather in the spring resulted in poor flowering, lower yields in some blocks. The summer was warm, but not oppressively so- the lack of extreme heat events was a welcome change. Harvest began in mid September, finishing up in mid to late October – relatively late compared to the recent string of early harvests. The wines are concentrated with a fine balance of structure and fruit intensity. Site expression seems amplified; low yields and moderate temperatures often lead to some of our most singular and terroir driven wines. The wines drink surprisingly well in their youth and have all the components for a long life ahead. The only downside to the year are yields; the wines will be sought after and rare.

2018

2018 was another dry, but not particularly warm winter. This changed in early February. A system of high pressure brought daytime temperatures into the 70's, warming the dry soil and initiating bud break in the earlier sections of some of our vineyard sites. In March an arctic cold front settled in and brought nighttime temperatures down to freezing, risking frost damage to the new shoot growth. The Summer was mostly mild, leading to a normal to later harvest than other recent vintages. The wines are poised and complex with depth and structure.

Wines

2019 Razorback Vineyard Pinot Noir

The Razorback Vineyard was planted in 1986 and is the lowest elevation vineyard on the Estate at 1400 ft. Featuring a cool northeastern exposure, this 2 acre hillside is planted to four clones (115, 667, 777 and Swan) of Pinot Noir on fractured sandstone and shale. We ferment the clones together as we believe this encourages more complexity and intrigue in the finished wine. This rather steep vineyard is dry farmed and gets some of the cooling fog that settles below our other Estate vineyards. 2011 is the first vintage we have chosen to bottle as a stand alone, single-vineyard wine.

Tasting Note: High toned orange peel and spice notes frame the nose. The mouth is well structured with good acid/tannin balance, great red fruit and more spice notes.

Thomas Fogarty

2018 Walker's Nebbiolo

We farm two Nebbiolo at two dramatically different sites. Our newest planting at Gist Ranch is just over an acre situated on heavily fractured Vacqueros Sandstone. High in elevation and mostly above the fog, this site consistently ripens this fickle variety and is the backbone our Nebbiolo wines. Our Winery Estate Nebbiolo is sourced from a small 0.3 acre hillside perched just above the Rapley Trail Vineyard.

Tasting Note: The wine reveals notes of dried strawberries, licorice, rose, and spice aromas. On the palate, the wine is ample, with minerality, cranberry, juicy acids and a firm finish.

2019 Langley Hill Vineyard Chardonnay

Langley Hill is our largest plot of Estate Chardonnay. It occupies a steep hillside, offering numerous exposures and soil depths. This complex arrangement leads to multiple picks often spread over weeks, rather than days. Langley Hill's is often both the first and last of our Chardonnays to be picked. The vineyard's fractured sandstone over Lambert shale yields Chardonnay that is steely and structured with persistent citrus and mineral flavors.

Tasting Note: Opens with aromas of citrus blossoms and nectarines with layered stone and mineral tones to finish.
