“This bottling by winemaker Nathan Kandler, from a vineyard 2,000-feet up in the mountains, demonstrates tremendous concentration at stunningly low alcohol. Aromas of mulberry, mace and sandalwood lead into a rich and woody palate that’s reminiscent of a summer-warmed pine forest, where wild elderberry shrubs and plum orchards bake in the sunshine.”

“Deep, dark and penetrating aromas of dried cherry and sarsaparilla show on the nose of this bottling. Dusty herbs and shiitake flavors come through on the palate, where a hearty mouthfeel showcases baked plum and mulberry flavors as well.”

New Release: 2019 Mindego Ridge Vineyard Chardonnay – Two Bottles Included

The vineyard sits on a dramatic, south-facing hillside that steeply slopes up to 950ft in elevation with shallow soils composed of silty clay loam over sandstone and fractured shale. Cool and tempered, just 8 miles from the Pacific and adjacent to redwoods, Dave and Stacey planted the vineyard in 2009 with a passion for farming and a mission to produce 100% estate grown, single-vineyard wines that authentically express the marine-influenced mountain terroir that is their home. 1.5 acres of the vineyard is planted to Robert Young and Dijon Chardonnay clones 17, 76 and 96.

“This is an incredibly elegant and superbly subtle spin on Chardonnay, beginning with soft aromas of apple blossom, crisp Asian pear and wet stone. The palate is bright with citrus, rounded with light pineapple flavors and focused on a pithy, stony texture that carries extremely long into the finish. Will age for days, but too delicious to skip the immediate experience.”

2019 Vintage

The 2019 vintage will go down as a classic year in the Santa Cruz Mountains. Some unsettled weather in the spring resulted in poor flowering, lower yields in some blocks. The summer was warm, but not oppressively so—the lack of extreme heat events was a welcome change. Harvest began in mid-September, finishing up in mid to late October - relatively late compared to the recent string of early harvests.

The wines are concentrated with a fine balance of structure and fruit intensity. Site expression seems amplified; low yields and moderate temperatures often lead to some of our most singular and terroir driven wines. The wines drink surprisingly well in their youth and have all the components for a long life ahead. The only downside to the year are yields; the wines will be sought after and rare.
