

**2019 Walker's Nebbiolo***Two Bottles Included*

We farm two Nebbiolo at two dramatically different sites. Gist Ranch Estate is just over an acre situated on heavily fractured Vacqueros Sandstone. High in elevation and mostly above the fog, this site consistently ripens this fickle variety and is the backbone our Nebbiolo wines. Our Winery Estate Nebbiolo is sourced from a small 0.3 acre hillside perched just above the Rapley Trail Vineyard.

*Our 2019 Nebbiolo does a really great job of balancing its richness and fruit character with soft but very dense tannins, bright acidity, and pretty, high-toned aromatics. Crushed cherry and strawberry jam lead into aromas of rosehips, hibiscus tea and alpine herbs.*

**2019 Rapley Trail Vineyard 'James Thomas Block' Pinot Noir***Two Bottles Included*

The James Thomas's Block sits just above Henry Ayrton's Block, moving from the bottom of the top of the Rapley Trail Vineyard. The soil is shallow and rocky, and the exposure lends itself to a great amount of wind. These factors contribute to a unique flavor profile and well-structured wine.

*"The Rapley Trail Vineyard James Thomas Block shows the more refined side of this site. Like the other Rapley Pinots, there is plenty of structure, but here the aromatics are more effusive than Henry's. Chalk, white pepper, rose petal and sweet dried cherries open up nicely, with clean, saline underpinnings that wrap it all together."*— Antonio Galloni, *Vinous*. 94 points.

**2017 Will's Cabin Vineyard Pinot Noir***Two Bottles Included*

The north-west facing ridge is heavily fractured Vacqueros sandstone with steep slopes and awesome exposure. This is an earlier ripening vineyard that produces wines that are seriously structured with a wild, mountain character that continues to impress us.

*"Leather, dried strawberry and peppercorn lead into a nose loaded with chaparral spice of light thyme and sage on this vineyard designate. It's a bit shy on the palate at first, and then light cranberry and raspberry flavors emerge against the crushed stone and light red-flower flavors."*— Matt Kettman, *Wine Enthusiast*. 93 points.

**2019 Vintage**

The 2019 vintage will go down as a classic year in the Santa Cruz Mountains. Some unsettled weather in the spring resulted in poor flowering, lower yields in some blocks. The summer was warm, but not oppressively so—the lack of extreme heat events was a welcome change. Harvest began in mid-September, finishing up in mid to late October - relatively late compared to the recent string of early harvests. The wines are concentrated with a fine balance of structure and fruit intensity. Site expression seems amplified; low yields and moderate temperatures often lead to some of our most singular and terroir driven wines.

**2017 Vintage**

Record setting rains replenished our thirsty soils and gave our old vines a much needed reprieve from four drought stressed seasons. The 2017 vintage was another year of record setting heat, continuing our string of record setting temperatures. Luckily, Spring was mild and allowed us to set the best crop we have seen since 2012. A torrid heat spike over the labor day started the growing season with a bang and had us off and running at sprinter's pace. The weather following was mild and allowed for the latest harvest we have seen in some time. It will go down as a vintage with good yields and potentially great quality.
